

Amazing People. Incredible Care.

MEMO

TO: Medical Staff
FROM: Devonna Kaji, MD Chief of Staff
DATE: May 15, 2011
RE: Medical Staff Annual Education

As part of our ongoing commitment to quality of patient care, patient safety, and compliance with regulatory institutions the Medical Executive Committee as well as the Medical Staff Officers have made the recommendation that Medical Staff complete the attached Annual Education Curriculum. The topics included in this curriculum have been recommended by the Medical Staff Quality Council and various State and Federal Regulatory Agencies.

Children's Hospital Central California is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. Children's Hospital takes responsibility for the content, quality and scientific integrity of this CME activity. Children's Hospital designates this enduring material for a maximum of 1.25 *AMA PRA Category 1 Credits*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

A Category I CME Certificate will be mailed out to you upon your completion of this annual education.

To complete the Medical Staff Annual Education Curriculum you must:

1. Review the content for each of the 5 sections, totaling 1.25 hours of education time.
2. Complete the post-test and evaluation by doing ONE of the following:
 - a. Complete attached post-test and evaluation and mail or fax it to the address located at the end of the post-test.

OR

- b. Submit electronically by going to the following Weblink to complete the post-test and evaluation.
http://www.surveymonkey.com/s/Annual_Medical_Staff-Education_Community_based
 - i. **For the Password, please refer back to the Education Packet that was mailed to you or call 559/353-7230.**
3. In order to receive CME credit your post-test must be received by **SEPTEMBER 1, 2011**.

For questions please contact the Physician Education Specialist, Norma Barajas, PhD at 559/353-7230.

Thank you.

Devonna Kaji, MD
Chief of Staff

CONTINUING MEDICAL EDUCATION – GENERAL INFORMATION

STATEMENT OF NEED

At the completion of quality audits and in line with maintaining with current standard of care, it was determined that Medical Staff complete education on the following topics. The following modules address the programs, policies, and changes implemented at Children's Hospital Central California for the improvement of quality in patient care and patient safety.

This Annual Education Program for Medical Staff includes information on the following areas:

- Anticoagulation Safety Program
- Aerosol Transmissible Diseases (ATD)
- Infection Control
- Opioid Induced Constipation and Septic Shock Guidelines
- Updates and Review of:
 - Readback
 - Syringe Filling Practices
 - Universal Protocol
 - Restraints
 - POLST
 - End of Life
 - Discharge/Transfer Forms

For more information on content development and review, please contact the Medical Education Department at 559/353-7230.

OVERALL GOALS & OBJECTIVES

Upon Completion of this module, participants should be able to:

1. Appropriately apply the required elements of the various National Patient Safety Goals as well as utilize the appropriate strategies for infection prevention and control.
2. Perform the Anticoagulation Safety Program expectations.
3. Improve documentation and communication
4. Effectively prevent and manage opioid induced constipation; recognize physician-nurse variations in medication administration, and; perform early recognition of septic shock and perform aggressive treatment

TARGET AUDIENCE

This course is designed for community-based Medical Staff and Allied Health professional credentialed by Children's Hospital Central California

ACCREDITATION

Children's Hospital Central California is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. Children's Hospital takes responsibility for the content, quality, and scientific integrity of this CME activity. Children's Hospital designates this enduring material for a maximum of 1.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

As an organization accredited for continuing medical education (CME), Children's Hospital Central California fully complies with the legal requirements of the Americans with Disabilities Act rules and regulations. Participants with special needs are requested to contact the Office of CME at 559/353-7230 for additional accommodations.

FACULTY DISCLOSURE

As a CME Provider accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA), Children's Hospital Central California works to ensure independence from commercial influence in its educational activities. Our aim is to present objective, balanced, and scientifically rigorous information that is based on appropriate clinical evidence representing best medical practices. All planning committee members, staff, and faculty participating in Children's Hospital Central California medical education programs are required to disclose commitments to, and/or relationships with, pharmaceutical companies, biomedical device manufacturers or distributors, or others whose products may be considered to be related to the subject matter of the educational activity. Faculty must also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in the course of their presentation. Financial relationship disclosures are made known to the audience prior to the presentation. *If you feel this is not the case, please call the Office of Continuing Medical Education at 559/353-7230 to anonymously express any concerns.*
